Dear Parents and Guardians,

Another school year is quickly approaching the end. We held the graduation ceremonies for Austin Stang, Emmi Hobman, Natalee Beatty, Blake Molle, Kyra Morrison, Sterling Swanson, William Waters, Landon McNalley and Brady Bullerwell. The graduation was well attended and an inspiring speech for all rural people was given by Aric Pare.

Provincial Exams are starting for the grade 9's and 6's, the rest of the provincial exams for grades 6, 9, and 12's will be written in June.

In sports, we are officially finished with Badminton, and congratulations to our athletes and Mrs. Olson's dedication to coaching them. Currently Track and Field is starting, and soon we will be having events happening.

Thank you to our School Council for arranging swimming for grades 1-3 at the Wainwright pool.

We also will be saying goodbye to Mrs. Watson and Ms. Dyer at the end of June. They will be missed by everyone in the school community.

Ms. Celeste Matovich
Principal

Share Your Light

When a flashlight grows dim or quits working, you don't throw it away, you change the batteries.

When a person messes up and finds themselves in a dark place, do you cast them aside? Of course not, you help them change their batteries!

Some need an AA battery...Attention and Affection.

Some need AAA...Attention, Affection, and Acceptance.

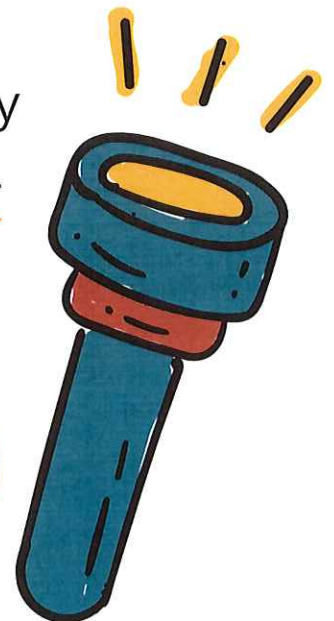

Some need C...Compassion.

Some need a D battery...Direction.

And if they still don't seem to shine, simply sit with them quietly and share your light.

TRUE IDENTITY

You are not alone if you have ever thought:

"I am not good enough." "I am not smart enough." "I am not strong enough." "I am not enough."

Every day, we are bombarded with *lies* that try to convince us that we don't have what it takes to follow Jesus. Every time we mess up, our insecurities reach out and tell us that we will always be weak – we will never experience the freedom Jesus says we can have. ***But scripture reminds us that it is Jesus' divine power that gives us everything we need to live a godly life (2 Peter 1:3). With His strength, when we fall down – we can still get back up.***

It's in our weakness that Gods' power is made perfect in us (2 Corinthians 12:9). By the power of Christ, nothing can keep its grip on us. Not fear, worry, doubt, defeat, discouragement, loneliness, hardship, or pain.

Through Jesus, we have everything we need to combat anything that attempts to seize our rightful identity.

Gods' Word is living, active, and sharper than any two-edged sword. It discerns the thoughts and intentions of our hearts. It was breathed out by God and it corrects, teaches, and encourages us. Gods' Word lights up our paths.

Gods' Word is filled with reminders of our true identity. It can remind us that:

You are enough because you are a child of God. (John 1:12, 1 John 3:1)

You can rejoice in suffering because Christ suffered for you. (1 Peter 4:12-19, James 1:2-4)

You are greatly loved, and you can love others like you have been loved. (John 15:9-14)

Nothing can separate you from Gods love! (Romans 8:37-39)

When you understand who you are, that is when you will truly be able to do all things through Christs' strength.

Next time a daunting situation comes up or a threatening thought comes to mind, remember that you can overcome it by Jesus' divine power working in and through you. You don't have to go through life on your own – and you were not made to.

So let's start applying the life-giving truth we find in the Bible so that we move from victimhood to victory.

Embrace who you are in Christ!

(ARE YOU) GETTING THE PICTURE?

One of the things I love most about my life is being busy. One of the things I fear most is wasting even a moment of my life doing nothing. If your inclinations are like mine (Yes, I'm a work-aholic and proud of it...!), then here's a little story we both should hear:

There was once a man who had a very important project he needed to finish. As the deadline approached, he decided he could work faster by bringing his project to his office at home. No sooner had he begun, however, when his young son appeared at his side, and asked his dad to stop working and spend time with him. Unwilling to heed his son's pleadings, he devised a plan that he hoped would distract the boy for at least awhile. Opening the Picture Atlas on his desk, he retrieved a map of the world, removed it, and tore it into smaller and smaller pieces. He stacked the pieces randomly in a pile, and handed the entire lot to his son. "Son," he said, "I'll happily spend time with you. But first, I want you to take all these pieces and put them back together in their proper order. Once you're done, we'll do whatever you wish!" To dad's surprise, barely five minutes had passed before the boy suddenly reappeared with the map of the world properly reassembled and everything in its place. "How did you manage this task so quickly?" he asked. "Oh, it wasn't difficult at all," the boy replied. "On the back of the page you had torn out, there was a picture of a man. When I put the picture of the man back together, the picture of the world came together exactly as it should!"

Today, our world is always busy, but not always in a good way. Everywhere we look, we see torn-up nations, torn-up communities, torn-up families, and torn-up individuals. At a time when it's hard to discern "what- goes-where-and-with-whom-and-how, is it possible to put the world back together in a way that honours the God who created us, and in whose image we are made? If so, whose picture shall guide us?

Once, long ago, God sent a certain man on a very important life-saving mission. He came to help us rebuild our world, our nations, our families, ourselves, using His love, His teachings, His sacrifice, His Joy, and His example as our guide. God so loved the world that He gave us His Son, to help us "get the picture" that would make the divine image within us that much brighter, that much clearer, and make us all that much happier!

Dear friends, even in our torn-up world, there is a way to know joy. It happens, mostly, when we learn to keep Jesus "in the picture" that is our life!

Still keeping Jesus in my picture....!

CALL FOR VOLUNTEERS!

The Chauvin and District Museum will be finishing its renovations started in 2022, with the goal of re-opening this upcoming August. There is still a fair amount of work to do and we are putting out the call for volunteers in order to hit our target.

If you could come out and help, we will be putting together work crews to accomplish the following:

1. Renovating public washrooms
2. Finishing up some drywall and painting
3. Installing a low voltage light system for showcasing displays
4. Constructing several installations and exhibits
5. Building track for our rail cars to sit on
6. Putting together new displays

We are pulling together the work schedules now, so if you have a few days to spare this summer where you could lend a hand, please get in touch with Darryl at (587)217-7752 or Val at (780)753-0939. We will be sure to have some slots that will work between your summer plans.

Men, women, teens and kids are all welcome, there are lots of jobs to go around. Please step up to help finish building a museum that Chauvin's generations-to-come will be proud to call their heritage.

*Thank you to Chauvin Gardens
for the donation of a door prize
for the museum to award at the
recent Spring Market!*

*The lucky winner was former
Chauvin resident, Gileen Allen.*
