

VISION 2021

The following resolution was passed at the Village of Chauvin Council Meeting on June 11, 1990

MOVED that the following be the

Vision Statement for The Village of Chauvin:

It is the vision of the Village of Chauvin to provide a close knit community in conjunction with a strong agriculture and petro – chemical base. We want to increase our ability to draw tourists to our area by preserving and promoting our area's natural beauty including lakes and wildlife.
